SECTION IV--FINANCIAL POLICY

1. **Facilitator Fees:** Each Facilitator will be required to have their own 100-Course Foundational Curriculum Package. There is a one-time payment of \$500.00 for this package. After the one-time payment, there is an annual fee of \$50.00 to remain as an active Facilitator. (Facilitators only receive the test questions and answer keys that go with the curriculum package. All other materials needed will be purchased by the student.)

Note: If a Facilitator should become inactive they will be required to pay all past annual fees in order to be reinstated.

Audio Courses:

Facilitators MUST order all Audio lessons directly from the Corporate Office so that the student receives professionally produced material. This does not apply to Online Students as the audio lessons are supplied automatically online.

Text Book Courses:

If a student purchases their own textbook, you should only charge \$10.00 for material to cover the Test Questions.

Live Courses: (*Must be ACI Teacher Certified*)

For those of you teaching live classes, there is a form that is required. In order for a student to receive credit for a live class taught, the class must be pre-approved. (It also must be in the student's field of study or they must have room for an elective.) This will allow the corporate office to be aware of all classes being taught and make sure they are in line with the student catalog. JTS/RMBC/RMCI reserves the right to approve or disapprove all requests.*)

Note: *If a Facilitator's request is disapproved for scholarship monies from JTS/RMBC/RMCI, the Facilitator may still offer the scholarship through the facility; however, the Facilitator will be responsible to pay normal fees due to JTS/RMBC/RMCI.*
